# WHEN WILL YOU MARRY?

By G.S. Mohan Viswanathan

Mounts and lines on the palm indicate your marriage-time. They move in synergy with your natal chart.

**T**iming the marriage based on the line of marriage alone may not really help. It must be borne in mind that there are many correlative indicators of the time of marriage in the other mounts and lines.

Taking into consideration the biological and physiological factors, experts estimate the maximum age upto which a person can marry as 60 years under normal circumstances. This reading is not of any recent origin. But it was methodically adopted by erudite palmists since many years, the only difference being their version in applying the age factor according to an individual's race and climate.

## The Mount Of Mercury

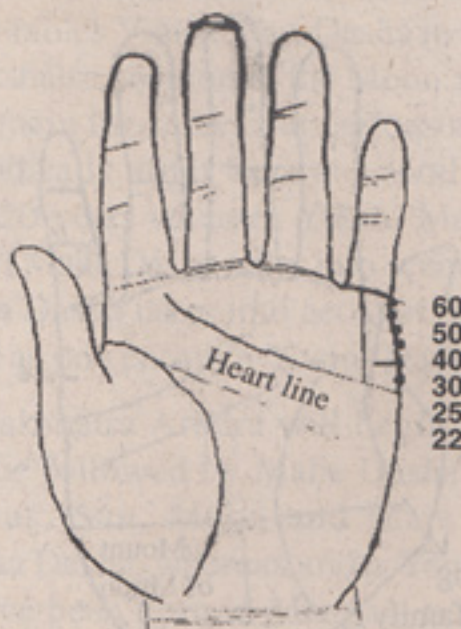

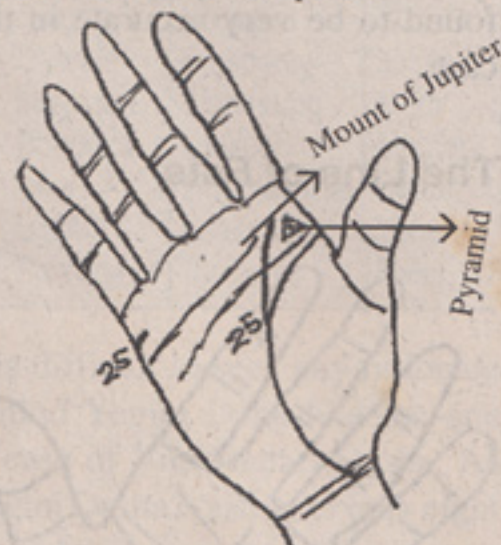

Fig. 1 Timing the age of marriage

The Mount is measured from the line of Heart to the base of the little finger, to be reckoned as 60 years. The line of Marriage closer to the Heart line is taken for timing the

event. (Fig. 1) Judicious comparison of signs and symbols in other areas are also called for simultaneously.

## The Mount of Jupiter

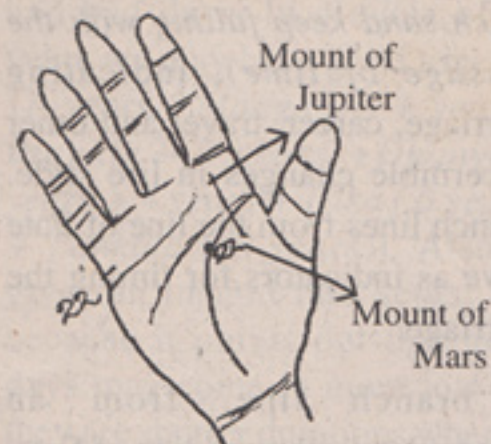

### Marriage around 25 years

Fig. 2 Branch Line from Life Line entering Mount of Jupiter & the Pyramid Sign

The Greek palmists attach more importance to this Mount for marriage prognosis. A reliable indicator is the branch line from the line of Life entering the mount of Jupiter. A Star, Square, Cross or Trident at the end of the line is considered more auspicious. The rarest sign of Pyramid adds glory to a brilliant marriage. (Fig. 2)

## The Mount of Mars

### Marriage around 22 years

### For confirming events – use Yogini Dasha:

Although Parasari Vimshottari Dasha System is the Kingpin of Hindu Directional Astrology, it is the considered view of Lord Shiva that an unfavourable Yogini Dasha may thwart any achievement. When an unfavourable Dasha of Yogini runs, no person is able to protect the native from evils. But if the native resorts to pacification of evil yogini Dashas, he may get rid of only royal fear, enmities, diseases etc. and may have wealth, affluence and happiness. By pacification of unfavourable Yogini Maha Dasha and Antar Dasha, a person may have manifold success. He may have health, fame and victory over his foes.

Yogini Dasha at best may aid Vimshottari Dasha but it is never a substitute for the latter. If a person is running unfavourable period under both systems at the same time and ruling planets are also afflicted, it must cause concern. Coincidence of Vimshottari Dasha-Antar Dasha of Rahu, Ketu, Saturn and Mars (*ill-placed and afflicted*) with Yogini Dasha/Bhukti of Sankata Ulka and Bharani may cause havoc in life.

### 'Fine tune' your predictions with Yogini Dasha

Combine Yogini dasa (hailed from Lord Shiva Himself) with Vimshottari System for best results. Get the durations of Major and Minor periods of Yogini dasa cycles from EST.
